Join the seqWell journey!

Our mission at seqWell is simple. Responsive to the needs of our customers, we develop scalable genomics products that simplify sequencing workflows. Our workflow enables scalable multiplexing with fewer steps and cost-consuming normalization to achieve greater efficiency, cost savings, and minimize time to results. We are a fast-moving, innovative company focused on customers while providing a fulfilling work environment for our team members.

What we are looking for:

As a member of the seqWell Operations team, the Production Scientist will be responsible for the production of seqWell's NGS Library Preparation kits and intermediate material prepared for the final production of the seqWell kits.

How you will contribute:

The Production Scientist will have a broad range of responsibilities, including but not limited to the following:

- Production of next generation sequencing reagent products
- Works with the team to prepare production materials for transfer to contract manufacturer
- Prepare and sequence next generation sequencing libraries
- Complete library QC analysis using tapestation, bioanalyzer, and sequencing equipment
- Assemble reagent kits
- As necessary, troubleshoot equipment malfunctions and performs instrument calibrations

What you will bring:

- General laboratory experience
- Experience with bioanalyzer, tape station, liquid handling robots preferred
- An understanding of and experience with next generation DNA sequencing
- Strong technical skills including proficiency with Excel
- Able to work in a team environment
- Strong verbal and written communications skills, the ability to be flexible, and work with other departments, including R&D
- Bachelor's degree in a related field required
- A minimum of 1-3 years' experience in a laboratory, preferably with DNA sequencing
- Experience with Illumina sequencing platforms preferred

Be a part of the seqWell team today! seqWell is an Equal Opportunity Employer and Prohibits Discrimination and Harassment of any kind: seqWell is committed to the principle of equal employment opportunity for all employees and to providing employees with a work environment free of discrimination and harassment.
